## **Weekly Reminders**

### **Commissary takes special orders**

Having a picnic, party or large get together? The Bamberg commissary accepts special orders for cakes, breads, bakery items, deli meat and cheese platters, fruit and vegetable trays, dried goods, chilled or frozen items. Advance ordering is required and

items may only be picked up during regular business hours. Call DSN 469-7204 for the Bakery or DSN 469-7204 for the produce, meat or grocery departments.

Do your part to save energy and conserve natural resources. Check back weekly for great energy saving and recycling tips brought to you by the Bamberg Environmental Office.

### **Energy saving tips!**

- When washing laundry use warm instead of hot water (most energy is used for heating of water).
- Talk to Soldiers or colleagues:
  - Ask who turns off lights at the end of the day.
  - Ask them to shut off other electrical equipment.
  - Make sure they heat/cool responsibly.

### **Recycling tips for home and office**

- Clearing out the attic? Try selling your stuff rather than taking it to the recycling center. Donate items to the Bamberg Thrift Shop or consign your items and let the shop sell them for you. A percentage of what you make goes back into the Bamberg community! It's a win, win situation!
- Make your own lunch instead of buying packaged fast food and snacks - it could save you money.
- Stop subscribing to magazines that you don't have time to read (and save yourself a few bucks) - your local library will probably stock a range of periodicals.

For more information on what you can do to save our natural resources and help reduce the effects of global warming contact the Bamberg Environmental Office at 0951-300-7730.

### **Take the USAREUR Well-Being Survey Now**

The 2007 USAREUR Well-Being Surveys are available at the Bamberg ACS, Bldg 7029, now through June 15. Individuals may go on-line to complete the survey or complete a hard copy at ACS.

All Soldiers, Civilians, Retirees and family members are encouraged to complete the survey. Your survey responses are confidential.

The results of the survey will be shared with our USAREUR family and used to improve programs and services in the command.

USAREUR began surveying the Well-Being of Soldiers, civilians, family members and retirees in 2006. The results of the 2006 survey are posted on the G-1 Website under <http://www.per.hqusareur.army.mil/umss/wbs.htm>
